Caleb Village

Caleb Village, Tisdale is officially a go...

Caleb Village offers a "big city" residence with everything you need to live an active lifestyle. Each well appointed suite includes its own washer and dryer for your convenience. Leave the daily chores to us, while you enjoy a variety of on-site programs and amenities. Play billiards, shuffleboard, enjoy some relaxing time watching television or a good game of cards in the games room. Let's not forget the 24-hour snack bar where you can go chat with friends and we'll even do the driving by taking you to your scheduled medical appointments and planned outings.

With its services and friendly staff, Caleb Village is a great place to call home!

For more information please contact Ron Folstad at (306) 229-4872 or (306) 934-2075
