## WOMAN TELLS HER SISTER SHE KILLER HER HUSBAND ON APRIL FOOLS... ... SISTER CALLS THE COPS!

Published On April 4, 2013 | By [jmarchillo1](#) | *Blogs, Mornings*

On April Fools' Day, a 52-year-old woman in Tennessee called her sister and said, quote, "I shot my husband" . . . then asked for help burying the body. The sister didn't know it was a prank. She told another family member, who called 911. Police IMMEDIATELY swarmed the woman's house and arrested her . . . until her husband got home from work and proved it was a prank. No charges were filed.
