Tim's Tip of the Day

It has been cool lately and the mosquitoes have not been

as active as they were but it will warm up and when it does do everything you can to protect you and your family from them because this year the treat of West Nile is serious and if you have a compromise immune system there is no known cure or treatment for the disease. Find of the Day

Canoeist praised for 'changing the map of Canada' after dramatic encounter with unknown waterfalls

The area south of James Bay along the Ontario / Quebec border has little fur baring animals and was avoided by the Cree. Oddly enough

except for post war aerial photographs it remained unexplored until this summer. Four new waterfalls have been added to the map of Canada.

Tompkins:

Only in North America can you see the fastest animal on the planet who have been here since the ice age and seem to be doing just fine.
