Tim's Tip of the Day

This summer theatres have been wallowing in a deluge of barely watchable cartoon features. With DVDs, Netflix, and downloads a parent can find the really great one for their kids and pass one some of these very forgettable time consumers. [\(Click here to see full size.\)](#)

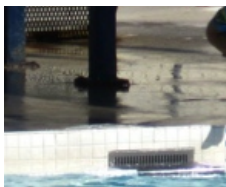

Find of the Day

European forests head towards carbon saturation point: study

European countries are counting on their forests to absorb sufficient carbon emissions so they can meet environmental objectives.

The reforestation after the war has added trees but those forests are getting old and need to be replaced. (You can see the [article as a PDF here](#))
