Tim's Tip of the Day

Logic is not part of the everyday operation of things

operated by humans. The Tisdale outdoor skating rink was resurfaced and ready for use today but the change building was locked up making the use of the ice difficult for parents with children. Why bother to ready the ice when it was not available for use? [\(Click here to see full size.\)](#)

Find of the Day

Scientists explore the illusion of memory

We all know about the transience of memory but in this CBC story discussing the findings of Dr. Eric Kandel, it would seem each time a memory is recalled it is

restored but slightly altered each time. In addition scientists are working on methods to expunge a memory entirely.
