Tim's Tip of the Day

Lots of people have covered their yards in rocks and other trash

but green grass still is a solid winner. Though costly the grass absorbs huge amounts of carbon dioxide releasing oxygen into the atmosphere. Besides after white, green is a great colour. ([Click here to see full size.](#))

Find of the Day

Report: Canada could see indigenous uprising

Despite the sincerity "idle more" is now definitely "idle". Though Canada's First Nations suffer they are doing little or nothing about their condition. The

Arab news agency Aljazeera notes in this report that at some point the seething discontent will erupt in violence.

us but this story is the lead story to the other stories posted today.
