## It was not all Wall

Tuesday, November 8, 2011  
by: Edwin Wallace

**Tisdale:** After having been forced out of his position as campaign strategist in 2007 Dale Schmeichel headed up the debacle of an NDP which ended in defeat yesterday. Edwin Wallace addresses Mr. Schmeichel to bid good riddance.

## A positive as we approach Remembrance Day

Wednesday, November 9, 2011  
by: Joe Hueglin

**Niagara Falls, Ontario:** The use of "depleted uranium" munitions is a serious world problem but it has been ignored and denied by the Canadian Government. Yesterday they agreed to look into the problem with Canadian veterans.

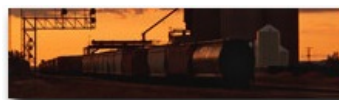

## CWB to be or not to be

Wednesday, November 2, 2011

by: Timothy W. Shire

**Tisdale:** Since Stephen Harper longs to be an American or at least be loved by Americans he has pursued the destruction of the Canadian Wheat Board. Here are some of the continuing arguments both for abolition and preservation.

## Crushing the monopoly

Wednesday, November 2, 2011

by: Stu Innes

**Regina:** Not everyone want to see the Wheat Board go away. Stu Innes wants to market his product when and where he likes.

## Whose interests are being served by the demise of the Canadian Wheat Board?

### Parkland Photography Club September meeting

Friday  
October 7, 2011

### imagination

1999 - What's it take to get noticed  
1998 - I went bungee jumping last weekend and also climbed a volcano, If the General is an improvement please stop improving and the need for transformational change in Saskatchewan part 4

### Tim's Tip of the Day

You don't need to be warned about the icy road conditions throughout Saskatchewan but there is something you can do about it. If you don't have winter tires on your vehicle you will increase your safety considerably by installing them. Our's go on tomorrow.(Click here to see full size.)

### Find of the Day

### Canada delivering Keystone XL pipes to U.S.

Though the U.S. government has not yet officially approved of the huge pipeline intended to deliver oil from the oil sands area of Alberta to the refineries on the Texas Gulf coast, the pipe for the

project is being spotted in North Dakota.

by: **Darlene McCullough Tisdale**: First meeting of a new year for the club as they launch their projects and competitions for the coming year.
