Remembrance Day 1998

Tim's Tip of the Day

Making government efficient is a laudable goal but providing services to the citizens of a society is the role of government and that role can only be accomplished with the payment of taxes. There is no free ride in a democratic society where it is our duty to provide for everyone's needs. (Click here to see full size.)

Find of the Day

Afghanistan mother and daughter stoned and shot dead

It is easy after such a long conflict to forget why Canada became involved in the Afghanistan war. It was from Afghanistan that the people who carried out the attack on 9/11 were trained.

The place is still uncivilised and a blight on the face of the earth.
