Tim's Tip of the Day

Just as we are surprised to see the sun setting earlier each day so many feel a certain regret as the leaves start to turn colour and fall from the trees. Some use the term inevitable to describe the relentless process of time but it just goes to show how we live in the here and now and that is as it should be. (Click here to see full size.)

Find of the Day

Number of poor hit record 46 million in 2010

This story was reported in several sources yesterday pointing out the increase in the numbers of Americans living below the poverty line. Also the growing number of Americans who have no health

care coverage. Shocking news about a country that declares itself the land of the free and home of the brave.

Thursday
 July 14, 2011
 by: **timothy W. Shire**
