Find of the Day

Race to the End

This is a chilling article that spells out the dramatic build up of weapons by Pakistan and India. With four China developed reactors Pakistan is churning out huge amounts of weapons grade

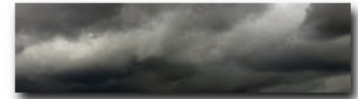

material. Pakistan is developing battle field tactical nuclear weapons. Tom Hurdley's story explains the terrifying gravity of the situation.

How about this weather, eh!

Friday, June 15, 2012
Timothy W. Shire

Tisdale:

"Rain interrupted by showers and periods of light rain," that's what its been like for what seems like a month. But the crop is in, the garden is up and we have mosquitoes.

Shameful

Friday, June 15, 2012
Joyce Neufeld

Waldeck:

Some of the damage being done to Canada both at home and abroad is so serious that it may be permanent. Such is the legacy of the 2006 - 2015 Conservative government.
